Education

- Currently pursuing **Bachelor of Technology** at Invertis University (2023-2027), with a current CGPA of **8.8**.
- Completed **Class 12th (U.P Board)** in 2023 with a score of **90.4%**.
- Completed **Class 10th (U.P Board)** in 2021 with a score of **90.8%**.

Skills

- **Programming:** Python (Basic), C++ (Basic), Java (Basic), HTML/CSS, JavaScriptNode.js & JavaScript (ES6+), REST APIS.
- **AI/ML Frameworks:** TensorFlow, Pandas, NumPy, Express.js.
- **Tools & IDEs:** Git, GitHub, Jupyter Notebook, Visual Studio Code
- **Visualization:** Power BI, Matplotlib.
- **DataBase:** MySQL, MongoDB.

Experience /Internship

EduSkills

April 2025 - June 2025

Data Science Master Virtual Intern

Remote, India

- Developed end-to-end data analysis workflows including data cleaning, preprocessing, feature engineering, and exploratory data analysis using Python (Pandas, NumPy, Matplotlib, Seaborn).
- Performed statistical analysis to identify key trends and patterns, enabling insight-driven decision-making in real-world datasets provided during the internship.
- Built machine learning models such as Linear Regression, Logistic Regression, Decision Trees, and KNN, and evaluated them using accuracy, confusion matrix, and classification metrics.

Projects

Typing Speed Tester Application-Java Swing

May 2024 – Aug 2024

Java, Swing, AWT, CSV File Handling, OOP, Event Handling, Timer API

Individual Project

- Developed a desktop-based Typing Speed Tester using Java Swing with real-time speed (WPM) and accuracy calculation.
- Implemented countdown timer, key listeners, and live text comparison to measure correct characters and errors dynamically.
- Designed an interactive GUI with separate text areas for sample paragraph and user typing input, integrated with a progress bar for visual time tracking.
- Added automatic performance analysis using formulas:
 - WPM = Words / Minutes
 - Accuracy (%) = (Correct Characters / Total Typed) × 100.

Personal Portfolio

Aug 2025 – Sep 2025

HTML, CSS, JavaScript, Bootstrap.

Individual Project

- Designed and developed a fully responsive personal portfolio website with sections like Home, About, Skills, Projects, and Contact.
- Implemented smooth scrolling, animations, and modern UI components with clean layout and mobile-friendly design.
- Showcased professional skills, projects, and social media links, improving overall personal branding and online presence.

Leadership & Awards

- Achieved 8th Position in Shahjahanpur District in Class 10th Board Exams with 90.8% (2021).
- Awarded 3rd Position in Hindi Writing Competition held in Jalalabad, demonstrating strong creative and expressive writing skills.
- Awarded 2nd Position in Shahjahanpur Science Competition.

Certifications

- **DCA Course** from STP Computer Education.
- **Python 101 for Data Science** from IBM.
- **HTML & CSS** from STP Computer Education.
- **Python Course for Beginners** with certification: **Mastering the Essential** by Scalar.
- **What is Generative AI** from Linked-in.
- **Job ready Data Science course** by Code with Harry.

- Java Certificate from Knowledge gate.
